

Рис.37. Зоны действия котельных г. Крымск

The map illustrates the city of Krymsk with its street network and green spaces. Several heating plants are indicated by red icons, each surrounded by a red outline representing its zone of influence. The city is bounded by a red line. Major roads are shown in orange, including the Trassa-A146 and Trassa-Крымск-Славянск-на-Кубани. Street names such as Луначарского, Шевченко, Коммунистическая, Ленина, and others are visible. The map also shows the city's proximity to the Crimean Sea and the Crimean Peninsula.
